## Total Unduplicated Dual Enrollment Student Participation

### 5-YEAR OVERVIEW

Includes Transcribed Credit, Start College Now, CollEDGE Up, Youth Apprenticeship, and Contracted Courses (38.14).

\* Overall decrease in this year was due to a reduction in transcribed credit agreements with the implementation of HLC credentialing requirements for high school dual credit instructors. Other dual enrollment programs showed increased participation.

# DUAL CREDIT PARTICIPATION LEVEL AWARD

This annual award recognizes school districts for participating in two or more dual credit programs of ColLEDGE Up, Start College Now, 38.14 contracted courses, and transcribed credit and the overall percentage of high school students enrolled in dual credit programs during a given school year. The number of unduplicated students enrolled in dual credit programs is divided by the total number of high school students. Districts achieving recognition are provided with a banner to display in their school building along with a graphic to display on their website or social media page.

**My experience with the SWTC dual enrollment program has been excellent!**

I've taken many courses without any issues, and the professors are always helpful with any problems or computer glitches. Through the program, I've earned nearly 30 college credits while increasing my course rigor and expanding my options.
