1.1 - GOVERNANCE COMMITMENT

The Board of Trustees will govern Southwest Wisconsin Technical College in accordance with the Constitution and laws of the State of Wisconsin. The Board will always act in the best interest of the College and the community as a whole. Educational programs and other services of the College shall be of high quality consistent with the needs of the community. The Board is committed to excellence and to the values which define the College's operational atmosphere by assuring that it

1. Achieves results for its constituencies at an appropriate cost
2. Avoids unacceptable activities, conditions, and decisions
3. Self-monitors its processes and performances

In fulfillment of this charge, the Board is committed to rigorous, continual improvements of its capability to define values and vision.

1.2 - GOVERNING PHILOSOPHY

The Board embraces a view toward governance that is democratic, strategic, future-oriented, proactive, positive, and deliberative. The Board takes a long-term view in its decision making. This governing philosophy encourages diversity in viewpoints, reinforces the centrality of Board policy-making, and empowers the President with clear direction.

The Board will:

1. Be accountable for excellence in governing through a sense of group responsibility. The Board will be an initiator of policy. The Board will use the expertise of individual members to enhance the ability of the Board as a body.
2. Lead, direct, control, and inspire the organization through the careful establishment and communication of broad written policies reflecting the Board's values and perspectives. The Board's major policy focus will be on the intended long-term impacts outside the operating organization, not on the administrative or programmatic means of attaining those effects.
3. Enforce upon itself whatever discipline is needed to govern with excellence. Discipline will apply to matters such as participation, preparation for meetings, policymaking principles, respect of roles, board member conduct, and ensuring the continuity of governance capability. Continual Board development will include orientation of new members in the Board's governance process and periodic Board discussion of process improvement. The Board will allow no officer, individual, or committee of the Board to hinder or be an excuse for not fulfilling its commitments.
4. Seek input from various sources including staff, students, alumni, employers, and other community members on Board policies on Ends.
5. Make decisions, to the extent possible, on a consensus basis.
6. Annually review the Board's activities and discipline relative to Governance Process and Board/Staff Relationship policies.
7. At the Board's annual organizational meeting in July, review and authorize a Signatory Authority Policy to define who in the organization has the authority to sign for the College.
8. Act as a Board of the whole refraining from small group or individual discussion of Board business, whether in person or through communication devices.

 - b. EXECUTIVE LIMITATIONS: Constraints on executive authority which establish the prudence and ethics boundaries within which all executive activity and decisions must take place.
 - c. GOVERNANCE PROCESS: Specification of how the Board conceives, carries out, and monitors its own tasks.
 - d. BOARD-STAFF RELATIONSHIP: How authority and accountability is delegated to the President and its proper use monitored.
5. Monitoring College performance and effectiveness, and evaluating the President's performance (against Board policies on Ends, Executive Limitations, and Presidential Responsibilities).

These policy statements will comply with provisions of Wisconsin Statutes.

1. When articulating policy, the Board shall strive for brevity, clarity, and continued expression of a positive and future-oriented tone.
2. The Board may approve new policies or revise existing policies by introduction at one meeting and adoption at a subsequent meeting by action of a majority vote of the entire Board.

1. Board members must maintain unconflicted loyalty to the interests of the ownership. 2. Board members must avoid any conflict of interest with respect to their fiduciary responsibility.

2. College operation within the boundaries established in Board policies on Executive Limitations.
3. Accomplishment of the responsibilities set forth in the President's position description.

2.5 - EMPLOYEE COMPLAINT AND APPEAL POLICY FOR DISCIPLINARY DEMOTION, SUSPENSION WITHOUT PAY, DISCIPLINARY TERMINATION AND WORKPLACE SAFETY ISSUES – Pursuant to Wis. Stats. Sec. 66.0509

Purpose

The purpose of this document is to establish an administrative complaint and appeal procedure with respect to discipline and workplace safety consistent with Sec. 66.0509 (1m) of the Wisconsin Statutes. This document applies when an employee (“complainant” as defined below) believes that he or she has been subjected to unfair or illegal discipline and/or unsafe working conditions (as defined below) provided the alleged wrongful behavior had a significant connection to employment of complainant and the activities of the College.

To the extent that the provisions of Sec. 118.22, Wis. Stats. are applicable, those statutory procedures shall be followed as required by law.

Definition

“Discipline” for the purposes of this procedure is defined as disciplinary demotion, suspension without pay, or disciplinary termination.

“Workplace safety” is defined as conditions of employment affecting an employee’s physical health or safety, the safe operation of workplace equipment and tools, safety of the physical work environment, personal protective equipment, and training.

“Complainant” is defined as any College employee, not to include student employees, on the payroll of Southwest Wisconsin Technical College who has a personal complaint as defined in this procedure.

“Complaint” is defined as any written allegation of impropriety regarding discipline or workplace safety as defined in this procedure. The written signed complaint shall include a clear and concise statement of the facts upon which the complaint is based, the specific policies alleged to have been violated, if any, and the relief sought. If mutually agreed upon by both parties, written complaints with the same or sufficiently similar underlying facts and policy issues may be combined at any time.

“Days” are defined as Monday through Friday when the College is open for business. Weekends, holidays, and days when the College is closed are excluded.

Procedure

Step 1

If an issue related to employee terminations, employee discipline, or workplace safety as defined in this procedure has not been resolved informally with the complainant’s immediate supervisor, the complainant has the right to present a formal written

complaint to the immediate supervisor within ten (10) days after the facts upon which the complaint is based first occurred. The supervisor will meet with the complainant within seven (7) days and provide his or her written response within ten (10) days of the meeting.

Step 2

The complainant may, within seven (7) days after receipt of the written response of the immediate supervisor, request a review of the decision of his or her supervisor in writing to his or her Vice President or designee.

A. Review of Complaint.

The Vice President or designee, within ten (10) days of receipt of the request for review, shall review the complaint to determine whether the complaint is valid and notify the complainant. Validity is not a determination of whether or not the actions that gave rise to the complaint occurred, but whether or not the action underlying the complaint is within the scope of the complaint procedure. The Vice President or designee shall establish validity upon determining all of the following:

- That the complaint involves discipline or workplace safety as defined in this procedure.
- That the alleged conduct occurred on College-owned, College-leased, or College-controlled property or had a significant connection to the employment of the individual complainant and activities of the College.
- That the complainant is a College employee as defined in this procedure.
- That the complainant was the party harmed by the activity or action set forth in the complaint.

If the Vice President or designee concludes that the complaint lacks validity, he or she shall dismiss the complaint.

B. In-Person Meeting regarding merits.

If the Vice President or designee concludes the complaint is valid, he or she shall meet with the complainant within seven (7) days of receipt of the request for review to evaluate the merits. The Vice President or designee shall provide a written decision on the merits of the complaint within seven (7) days after the meeting.

The written complaint may not be amended following this decision; however, the remedy requested may be modified at any time without prejudice to the complainant's position in the appeal.

Step 3

The complainant may submit a written request for a hearing on the Vice President or designee's decision with regard to merit within seven (7) days of the written response from the Vice President or designee. The written request for hearing shall state the specific basis for disagreement and shall be submitted to the Director of Human Resources. Upon receipt of the request, the College shall retain the services of an Impartial Hearing Officer (IHO) and a hearing shall be scheduled within thirty (30) days after receipt of the request for hearing.

A record of the hearing shall be made. The complainant shall have the burden of proof that the complaint is meritorious, which must be shown by evidence that is clear, satisfactory, and convincing. In his or her written decision, the IHO shall make relevant findings of fact, shall decide for or against the complainant, and state his or her reasons. The decision of the IHO shall be limited to the issues raised in the request for hearing. The IHO shall have no authority to add to, modify, or delete from the policies of the College. If the IHO rules in favor of the complainant, the IHO will determine the appropriate remedy. The IHO's decision will be provided in writing to the parties within thirty (30) days of the hearing.

Step 4

Either party may, within seven (7) days after receipt of the written decision of the IHO, appeal the decision of the IHO to the Southwest Wisconsin Technical College Board of Trustees by filing a written appeal specifically stating the basis for contesting the findings and/or decision of the IHO. The appeal shall be filed with the Executive Administrative Assistant to the President/Board. Upon receipt of a request for an appeal, the College will provide a record of the IHO hearing for use by the Board. Upon receiving the record, the Board shall schedule the appeal within thirty (30) days. The deliberations will be conducted according to procedures established by the Board. The Board shall overturn the decision of the IHO if the decision was unreasonable, arbitrary, or capricious.

The Board shall issue its written decision within fifteen (15) days following the conclusion of the Board's deliberations. The decision shall be by simple majority vote and shall be limited to holding for or against the appealing party. The decision shall be limited to the precise issue raised in the appeal and shall be final and binding.

Timeline Requirements

If the College fails to give a written answer at Steps 1 or 2 within the designated timeframe, the complainant may immediately proceed to the next step. Failure by complainant to meet applicable deadlines may be the basis for dismissal of any complaint. If it is impossible to comply with the time limits specified because of extenuating circumstances, these time limits may be extended by mutual consent in writing by the complainant and the President or designee of the College.

Representation

Either party may utilize a designated representative at their own expense.

Confidentiality

All participants in all proceedings under this procedure shall observe confidentiality to the extent reasonably possible.

2.6 – ACTING and INTERIM PRESIDENT

On occasion, the President of the College will be absent from campus on account of official business, vacation, illness, or other unavoidable cause. It is possible a situation may arise when the president is suddenly unavailable and/or may not be able to perform their duties for an extended period of time. At some point, there will be a change in Presidents.

During Presidential absences, it is essential that provisions be made so that official business may proceed. Furthermore, the long-term vitality of the College is strengthened by providing executive leadership learning opportunities for people to learn and grow.

An Acting President serves in the temporary and short-term absence of the President when the President is expected to return to work. In this situation, the President will designate a member of the Cabinet to serve as the Acting President. The President will then inform the Board Chair.

An Interim President serves as a bridge to a new President when it is likely the incumbent President will not return to work. In the event the President will be unavailable and out of the office for a period of time longer than 30 calendar days, the Interim President will be:

1. Chief Financial Officer, Caleb White

Prior to appointing an Interim President, the Board will determine if it intends to conduct a full search or make an appointment at the conclusion of a successful term. It is clearly understood if the Board determines to replace the current President for any reason, they will have full autonomy to appoint a new President using the process and parameters of their choosing. This policy provides a plan for their consideration in the event a presidential transition occurs and facilitates professional development and training.

If the President is unable to name an Acting President, the Board Chair will appoint someone until the full Board can take action at the next Board meeting. An Interim President will be appointed by the Board Chair and considered by the entire Board at the next Board meeting during which time they will adjust the compensation for the Interim President according to the situation. Any other decisions will be made following established college policies.

The President's Office will notify the Cabinet when an Acting President or Interim President is named and forward that notification to the Board Chair. The Acting President shall fulfill the responsibilities outlined in the Acting President Position Description, which is attached.

Because of these considerations, the Board of Trustees authorizes the President to:

1. Implement formal mentoring opportunities specifically designed to provide training related to the powers, duties, and responsibilities held by the President.
2. Assess and evaluate the performance of the Acting President.
3. Provide compensation for services rendered as Acting President.
4. Support the pursuit of a terminal degree when needed through an investment of time and resources.
