

Midwest Student Exchange Program

Responsible Administrator: Student Financial Assistance Manager

Southwest Wisconsin Technical College participates in the Midwest Student Exchange Program of the Midwestern Higher Education Compact. In support of this agreement Southwest Wisconsin Technical College will:

- a. provide a list of eligible Associate Degree programs and a college description to MSEP and the Wisconsin Technical College System Office by June 1 of each year.
- b. identify an institutional contact for MSEP.
- c. compile a list of students enrolled through MSEP.
- d. commit to charge MSEP students 150 percent of the Wisconsin resident program fee rate.
- e. assure that no Wisconsin resident seeking admission to a specific program will be denied admission to that program in order for the institution to admit a MSEP student to that program.
