The Convenience Stores For Metal®

# Metal Supermarkets Trade School Scholarship

## Metal Supermarkets Will Award \$2,500 Scholarships to 4 Trade School Students

Metal Supermarkets is proud to support the skilled trades, and we want to make it easier for students to pursue one of these viable, stable and well-paying careers.

There is a ever-growing shortage of skilled trade workers across North America. The American Welding Society indicates 360,000 new welding professionals projected to be needed by 2027, and a [study commissioned by Metal Supermarkets](#) indicates that young people are simply not aware of possible skilled trades careers, with over 62% of respondents indicating they did not learn about trade school opportunities in high school. According to the Bureau of Labor Statistics, [skilled trades have millions of unfilled positions](#) across the U.S., with as many as 2.5 million more by 2029.

These careers are vital to a wide variety of industries, as well as to maintain and develop critical infrastructure. And during the COVID-19 pandemic, they have proven to be stable, essential jobs, with demand growing [upwards of 100% for certain trade careers](#). In an effort to lessen this current skilled trade worker shortage and raise awareness of the skilled trade careers, Metal Supermarkets is committed to

providing students with financial support to continue their education, grow their knowledge in their chosen field and ultimately enter the work force as a skilled tradesperson.

***“The skilled trades don’t just hold strong in an economic downturn—but they are among the rare sectors that continue to experience significant growth in an unpredictable job market”***

## **Certified Nursing Assistant Scholarship Application**

Midwest Medical Center employs a large number of Certified Nursing Assistants at the hospital and senior care campuses. In order to continue to care for our patients, MMC is now offering a scholarship to current and future employees of MMC that want to pursue a career as a Certified Nursing Assistant.

The scholarship recipient will receive up to \$2,000 to put towards their CNA program. The award will go directly to the school of choice by the recipient.

Once the scholarship recipient completes the CNA program, he or she will go through the hiring process at Midwest Medical Center if they are not already employed by MMC.

Once the scholarship recipient is employed by MMC, they must work for MMC for a minimum one year.

Applications are accepted and scholarships are granted throughout the year since CNA programs are short and held multiple times throughout the calendar year.

Questions about the program should be directed to Kelli Jackson, CFO, at Midwest Medical Center, One Medical Center Drive, Galena, IL 61036, (815) 776 - 7277.

# PRESS RELEASE

*For Immediate Release* | January 15, 2024

## **Midwest Medical Center Medical Education Financial Assistance Program**

**Loan/Scholarship Deadline: NOON on March 22, 2024**

GALENA, IL— Five loan/scholarship programs are available through Midwest Medical Center to provide financial assistance to persons pursuing an education in a medical field at an accredited school of the student's choice.

These programs have been made available to area students by seven benefactors: W. Clifford Stauss, C. Palmer and Eunice Eustice, Josephine Harvey, Richard and Marilyn Eastman, and Melvin E. Young.

Persons planning to enter careers in nursing, physical therapy, medicine, and dentistry, as well as careers in related technical fields, such as radiology, laboratory, or some other qualifying medical professions, are eligible to apply.

All loan/scholarship applications must be submitted to Midwest Medical Center **by noon on March 22, 2024**.

If the student, upon graduation from their health career program, is employed at Midwest Medical Center for a period of time equivalent to the number of years financial assistance was received, the money becomes a scholarship and does not have to be repaid. If the graduate either chooses to work elsewhere or if no position is available at Midwest Medical Center in their field, the money becomes a loan; however, the annual interest rate is only 3%.

The education monies are administered in accordance with the wishes of the donors of the funds.

Money is awarded to successful applicants who meet the criteria established for each fund/donor.

Additional information and applications may be found at [MMCGalena.org/scholarships](http://MMCGalena.org/scholarships). Questions about the program should be directed to Kelli Jackson, CFO at Midwest Medical Center, One Medical Center Drive, Galena, IL 61036, (815) 776-7277.

**MIDWEST MEDICAL CENTER**  
**Health Education Loan-Scholarship Information**

The Loan-Scholarship programs listed below are provided by Midwest Medical Center and its benefactors: W. Clifford Stauss, C. Palmer & Eunice Eustice, Josephine Harvey, Richard and Marilyn Eastman, and Melvin E. Young, to provide financial assistance to persons pursuing an education in a medical field at an accredited school of the student's choice.

- **STAUSS MEDICAL LOAN-SCHOLARSHIP:** Qualifying education programs are registered nurse, licensed practical nurse, x-ray technician, laboratory technologist or technician, or other similar related technical occupations in the medical field. Up to \$2,500 per student per 12-month school year for up to four years may be awarded.
- **HARVEY MEDICAL LOAN-SCHOLARSHIP:** Qualifying educational programs are registered nurse, licensed practical nurse, x-ray technician, laboratory technologist or technician, or other similar related health occupations. Up to \$2,500 per student per 12-month school year may be awarded.
- **EASTMAN MEDICAL LOAN-SCHOLARSHIP:** Qualifying education programs are the same as those for the Stauss program, excluding chiropractic and veterinary medicine. Up to \$5,000 per student per 12-month school year for up to five years may be awarded. Medical school students may receive up to \$10,000 per year for a maximum of four years.
- **EUSTICE MEDICAL LOAN-SCHOLARSHIP:** Nursing and medical technology students are eligible for up to \$5,000 per student per year for a maximum of four years. Medical school students are eligible for a maximum of \$10,000 per year for up to five years. Loan-Scholarships are awarded to Jo Daviess County residents only.
- **YOUNG MEDICAL LOAN-SCHOLARSHIP:** Qualifying education programs are registered nurse, licensed practical nurse, x-ray technician, laboratory technologist or technician, or other similar related technical occupations in the medical field. Up to \$2,500 per student per 12-month school year for up to four years may be awarded.

Upon graduation from technical school, college or medical residency, each twelve months' work, full-time at Midwest Medical Center, the amount of one year's loan-scholarship for each program (concurrently) with interest will be considered paid. Part-time employees will be credited toward repayment at the pro-rated rate of 2,080 paid hours, which equals one year of full-time employment.

If the loan is made to a health care professional who would not become a hospital employee after graduation, such as a physician or dentist, repayment of the loan similar to working here can be made by establishing an office practice in the hospital's immediate service area and becoming an active Medical-Dental Staff member or an Allied Health Professional Staff member.

If the person drops out of school or does not meet the criteria for repayment by employment or staff affiliation, repayment would be required to be made in the amount of at least \$50 per month plus interest of ¼% per month (3% per year) on the unpaid balance. The amount of monthly repayment must be large enough so that repayment will be completed in no more than 10 years.

# Little Bundle

**Tuition Assistance and Baby Formula Award - Supporting Single Fathers and Mothers and Their Loved Ones**

## The Little Bundle Superdad Scholarship

Scholarship awards available for both College and High School Students

At Little Bundle, we never underestimate the challenges that come with being a parent -- especially when you're raising a family by yourself.

We think it's very important to recognize that being a single father comes with its own unique difficulties. Even though there are [2.5 million single dads](#) in the United States (making up nearly [a quarter](#) of all single-parent households), single dads are often [overlooked and underestimated](#). At Little Bundle, we know there are countless fathers doing an amazing job of shouldering all of the parenting responsibilities on their own. However, we also understand that the demands of single parenthood can make it very tough to focus on your own goals and aspirations.

That's why we want to show our solidarity with single dads, the children of single dads, and those whose lives have been positively impacted by single dads. Our mission with the Little Bundle Superdad Scholarship is to recognize the single fathers who are doing their absolute best for their children, despite not always having the time or resources that they would like.

Focusing on education is a fantastic way for single dads to give their children the best possible start in life. In addition to supporting single dads who are pursuing their own higher education goals, the Little Bundle Superdad Scholarship also lends a hand to the high school and college-aged children of single dads, in recognition of the paternal love and support that helped them get to this point.

Not only does a bachelor's degree translate to higher earnings over the course of one's career, but it also serves to inspire the next generation by demonstrating that no matter the personal obstacles, it's important to set goals and work hard to achieve them. We want single dads and their children to feel empowered by their achievements as a family and be able to seize each and every opportunity that comes their way.

Our goal with the Little Bundle Superdad Scholarship is to make things a little easier for single dads and their loved ones. Similar to our [Supermom Scholarship](#), twice a year, we're giving one high school winner and one college winner help with tuition, in the form of a \$1,000 high school award and a \$2,000 college award. Each winner will also be entitled to a year of free organic baby formula from Little Bundle, which can be redeemed right away, deferred for later use, or donated to a friend or loved one.

### Scholarship Timeline

The Little Bundle Superdad Scholarship will be awarded to one college winner and one high school winner every 6 months. The application and selection timeline is as follows:

#### **First Application Cycle Timeline**

- Application deadline: June 30<sup>th</sup>
- Interviews with finalists: July
- First winner announced: July 31st.

#### **Second Application Cycle Timeline**

- Application deadline: December 31<sup>st</sup>
- Interviews with finalists: January
- First winner announced: January 31st.

### Eligibility Requirements

To be eligible for this scholarship, you must meet the requirements below. Please read the requirements carefully to ensure you meet eligibility before applying.

- Must be a graduating high school senior in your final semester who has been accepted to university or must be currently enrolled in an undergraduate or graduate degree program at a 4-year, 2-year, vocational, or technical institution in the United States.
- Must be a US citizen or permanent legal resident.
- Must be a single father, child of a single father, or closely impacted by a single father.
- All fields of study and GPAs will be considered.

### How to Apply

We know that single dads have a lot on their plate -- from raising a family to pursuing education and a career, all while defying expectations and forging their own path.

In your application for the Little Bundle Superdad Scholarship, we want to know how you do it. We want to hear about the challenges you've faced while juggling fatherhood and education, how you make ends meet, and what motivates you to keep going and keep dreaming. We'd love to hear about your relationship with your children and why you think that education is important -- not only to your life, but to their future, as well. Tell us what makes life as a single dad rewarding, and what special moments have stuck with you during your parenting journey.

We'd also like to hear from applicants who are the child or loved one of a single father. What challenges did your dad have to overcome? Are there memories from your childhood in which your "superdad" inspired you, or taught you a valuable life lesson? We want to know how being raised by a single dad has impacted your life and your plans for the future.

Whether you're a single father yourself, or the child or loved one of a single father, we especially want to hear about your dreams and goals. What do you hope to accomplish in terms of your education, career, and family life? What steps are you already taking to give yourself the best possible chance of success -- and how will this scholarship help you get there? We want you to think big and tell us where you see yourself in the future -- the sky's the limit!

To begin your application for the Little Bundle Superdad Scholarship, click the relevant button below, depending on whether you're currently in high school or already in college.

Remember, this scholarship is all about impact, so please be sure to explain how the Little Bundle Superdad Scholarship would significantly impact your life and bring you closer to achieving your goals.

# The Little Bundle Supermom Scholarship

## Scholarship awards available for both College and High School Students

At Little Bundle, we never underestimate the challenges that come with being a parent -- especially when you're raising a family by yourself.

At Little Bundle, we know that being a new mother isn't a walk in the park. With a million things on your to-do list, it's hard to find time for yourself. For the single mothers amongst us, it's that much harder to make everything work as you get your little one off to the best start possible. For the Little Bundle Supermom Scholarship, we focus on supporting single moms, children of single moms, or people whose lives have been impacted in positive ways by single moms. Put simply, the Little Bundle Supermom Scholarship is a student scholarship designed to support single mothers and those who support them and benefit from their love.

Why is this our focus?

[According to the Institute for Women's Policy research](#), more than 11% of undergraduate students in the US are single mothers—that's more than 2.1 million students. Of those single mothers in university, only [8% will complete their degrees](#)—making them 6 times less likely to graduate than their peers. They will also graduate with an average of nearly \$30,000 in student debt, almost \$5,000 more debt, on average, than their peers. However, single mothers who attain their Bachelor's degree are [3 times more likely to live above the poverty level](#). They earn 62% more, translating to nearly \$300k in additional income over the course of their career, on average.

Getting a degree is incredibly high-leverage for single mothers—and for those around them. The potential for long-term improvement in quality of life is enormous. At Little Bundle, we believe that's a cause—and opportunity—worth focusing on.

That's why we've created The Little Bundle Supermom Scholarship. With this program, our mission is to make things a little easier for single mothers and their loved ones. We're giving scholarship winners \$2,000 (for college winners) or \$1,000 (for high school winner) to cover their costs as they pursue their degrees, as well as a year of free high-quality, organic baby formula from Little Bundle. Not a mother right now? No problem—we make it easy for you to defer your year of free formula until you're ready, or to donate it to a friend or loved on who is ready now.

### Scholarship Timeline

The Little Bundle Supermom Scholarship will be awarded to one college winner and one high school winner every 6 months. The application and selection timeline is as follows:

#### **First Application Cycle Timeline**

- Application deadline: June 30<sup>th</sup>
- Interviews with finalists: July
- First winner announced: July 31st.

#### **Second Application Cycle Timeline**

- Application deadline: December 31<sup>st</sup>
- Interviews with finalists: January
- First winner announced: January 31st.

### Eligibility Requirements

To be eligible for this scholarship, you must meet the requirements below. Please read the requirements carefully to ensure you meet eligibility before applying.

- Must be a graduating high school senior in your final semester who has been accepted to university or must be currently enrolled in an undergraduate or graduate degree program at a 4-year, 2-year, vocational, or technical institution in the United States.
- Must be a US citizen or permanent legal resident.
- Must be a single mother, child of a single mother, or closely impacted by a single mother.
- All fields of study and GPAs will be considered.

### How to Apply

When you're a single mother, you often do things a little differently as you support yourself, your child, and your loved ones. For this scholarship application, we want to hear how you make it work. If you're a single mother in school, how do you juggle caring for your little one with pursuing a degree and everything else you do? How do you make ends meet financially? Have you thought about

dropping out? What keeps you motivated to complete your degree? What do you find most challenging about the experience? What do you find most rewarding about the experience? What are your favorite moments with your little one?

If you're the child or loved one of a single mother, how has this changed your life? What is your relationship to them? How does having a single mother or being close to a single mother affect your day-to-day and the way you think about your future?

We also want to hear about your dreams. Where do you see yourself in the future? What is your dream career? What are you doing right now to get there? How would winning the scholarship help you achieve your goals?

To apply, please use one of the below buttons depending on whether you're in high school or in college. Applications will be reviewed with impact in mind. We're looking for applicants with tremendous passion and drive for big dreams, where winning the scholarship would bring them meaningfully closer to achieving their goals.
