

Steward

Southwest Tech Little Free Library

Stewards are key to the success of the Little Free Library.
Without you, they are just a cute little structure!

What Little Free Library Stewards Do:

The primary role of a Steward is to care for a Little Free Library so that it becomes and continues as a vital and engaging resource for the neighborhood and community.

We encourage you, as a Steward, to:

- ✓ Protect the integrity of the Library itself, its contents and the overall reputation of the Little Free Library movement.
- ✓ Care for your Library by keeping the Library orderly, in good repair, fun and interesting.
- ✓ Promote and inform the community about the project and the exciting Little Free Library movement!
