POSITION Associate Degree Nursing Instructor (Full-Time, Benefitted)
APPLY BY November 1, 2024
HIRE DATE November 15, 2024

DIVISION Health Occupations
REPORTS TO Academic Lead
CLASSIFICATION Salaried (Exempt)
POSTING DATE October 17, 2024

SUMMARY

Southwest Tech is seeking qualified candidates for Associate Degree Nursing (ADN) Instructor. The instructor will be responsible for classroom, laboratory, and clinical instruction related to care of clients and families in the acute, long-term, and community health care settings. The position requires current knowledge, skills, and attitudes consistent with the legal and ethical practice of Registered Nursing. This full-time position includes a minimum of 190 workdays annually between July 1 - June 30 and may require evening and weekend hours as well as delivery of curriculum off site.

ESSENTIAL DUTIES AND RESPONSIBILITIES INCLUDE

- Design, facilitate, revise, and maintain curriculum using the organization's curriculum software, to promote optimum student learning
- Work cooperatively to provide a quality-learning environment for students
- Use evidence-informed instructional approaches
- Prepare and deliver student support activities
- Assess individual and cohort student learning and implement improvement strategies accordingly
- Manage a group of students in health care agencies (clinical sites) to meet identified learning outcomes
- Document students' performance providing feedback to students to promote learning, growth, and progress
- Demonstrate current knowledge, skills, and attitudes for the practice of Registered Nursing
- Supervise students to provide safe client care
- Promote appropriate health care work ethic for all students
- Conduct oneself in a professional and ethical manner consistent with health care practice
- Demonstrate flexibility in managing duties and responsibilities
- Demonstrate promptness and preparedness for classroom, lab, and clinical instruction
- Demonstrate concise, clear, and inclusive communication
- Design and participate in program recruitment and marketing strategies
- Maintain strict confidentiality of student information – Family Educational Rights Privacy Act (FERPA)
- Other duties as assigned

TRAINING AND EXPERIENCE AND SKILLS

- Master's Degree in Nursing (MSN), (consideration will be given to individuals who are actively enrolled in an accredited MSN degree program)
- Current Wisconsin Registered Nurse licensure
- Two years of full-time or equivalent direct care occupational experience as a practicing R.N.
- Employed in nursing field within the last 5 years
- Two years previous teaching experience in a higher education environment preferred
- CPR certified

- Meet and remain current with all compliance requirements of each district clinical instruction site
- Meet Wisconsin Technical College System/Higher Learning Commission faculty qualifications
- Meet Wisconsin Caregivers Background Check requirements
- Valid Wisconsin driver's license or reliable transportation to and from clinical sites located throughout our district
- Experience with curriculum development, student assessment and classroom management
- Effective communication and interpersonal skills as applied to interaction with coworkers, supervisor, the general public, and others sufficient to exchange or convey information

KNOWLEDGE

- Experience facilitating instruction using an online learning management system (LMS) preferred
- Knowledge and application of computer software and hardware tools (MS Word and PowerPoint), email, and internet
