General Instructions

Use form DJ-LE-250 to request a criminal background check on a single individual. Use form DJ-LE-250A to request background checks on multiple persons. Wisconsin Statutes 19.35(1) and 165.82 provide that any person or entity may request a criminal background check. The subject of the inquiry may be any person. Wisconsin adult criminal history data held by the Crime Information Bureau is public information. Wisconsin does not release juvenile information unless statutorily authorized.

The Wisconsin Criminal History Record Request **must** provide:

- (1) **Requestor Type.** Check the box for your requestor type. If you are a nonprofit organization, you must include a copy of your 501(c)3 ruling from the IRS. If you are a state public defender, you must include your SPD number.
- (2) **Request Purpose.** Check the “General Information” box unless you need the special processing described below. Requests received without a request purpose checked will be processed as “general information.”

Public Housing entities are eligible under federal rules for information from the FBI’s Interstate Identification Index. Check the “Public Housing” box to request information from CIB and FBI files. No record will be provided from the FBI files, but public housing entities will be advised if a record exists, and they may then initiate a fingerprint-supported background check.

Caregiver Background Check processing should be used by entities or individuals required to do caregiver background checks under s. 50.065, and child care entities under s. 48.685. The caregiver background check includes a Wisconsin criminal background check, a license and registry check from the Wisconsin Department of Health and Family Services (DHFS) and a professional credential check from the Wisconsin Department of Regulation and Licensing (DRL). The results of the caregiver background check from DHFS/DRL are returned separately from the Wisconsin criminal history results. Child day care providers with day care facility numbers (assigned by the Division of Children and Family Services in DHFS) or with certifying agency numbers (assigned by the Wisconsin Department of Workforce Development (DWD)) must check the “Child Day Care” box and provide their facility or agency number. All other entities and individuals covered by the Caregiver legislation must check the “Caregiver Background Check – General” box.

- (3) **Payment Type.** Wisconsin s. 165.82 requires CIB to charge a fee for background checks. If appropriate, include DHFS Caregiver fee in Amount Enclosed. If you have an account and wish to be billed, enter your account number. Account customers will be billed monthly. A check or money order must accompany all other requests. Make checks payable to the Wisconsin Department of Justice.
- (4) **Enter the complete name, sex, race, and date of birth of the individual being checked.** Entry of social security number is optional, but please be aware that this number is one of the unique identifiers used by the Crime Information Bureau and by the Department of Health and Family Services. Social Security numbers help prevent incorrect matches.
- (5) **Complete the “Return request to” section.**
